**POWERING
PROGRESS
WITH THE
SUN!**

INTRODUCTION:

Amasia Solar & Infra Private Limited, a sister concern of **ONYX SIRI Technologies**, is a trusted name in the renewable energy sector, dedicated to delivering innovative and sustainable solar energy solutions. Established in 2019 and headquartered in Hyderabad, Telangana, **ONYX SIRI Technologies** has earned a reputation as a top distributor of world-class solar modules and inverters, catering to **EPC** integrators across India. Building on this legacy, Amasia Solar extends its expertise to provide end-to-end solar solutions for

- Residential
- Commercial & Industrial
- Agricultural
- Utility

With a strong focus on quality, innovation, and customer satisfaction, Amasia Solar is committed to empowering individuals and businesses to transition to clean, renewable energy. Our comprehensive range of solar products and services is designed to meet diverse energy needs, ensuring efficiency, reliability, and sustainability.

At Amasia Solar, we believe in harnessing the power of the sun to create a brighter, greener future. By offering **turnkey solutions** that combine cutting-edge technology with unparalleled expertise, we aim to drive the renewable energy revolution and contribute to a sustainable planet.

Mission

- Deliver high-quality, eco-friendly, and affordable solar solutions.
- Promote energy independence through cutting-edge solar technology.
- Ensure customer satisfaction with reliable services and maintenance.
- Contribute to a cleaner, greener future.

Vision

To lead the renewable energy revolution with innovative and sustainable solar solutions.
